

Durability of Aalborg White® - made in Denmark cement in bags

25 kg bags

Aalborg White® cement in 25 kg bags, stowed on pallets can be stored up to 12 months in total from production date without the cement quality will be effected (provided the plastic foil and the bags are unbroken).

After the pallets are unwrapped and the plastic foil is broken Aalborg White® cement in 25 kg bags can be stored up to 2 months without the cement quality will be affected.

Max total durability for Aalborg White® cement in 25 kg bags:
10 months + 2 months = 12 months.

STORAGE CONDITIONS

The durability for Aalborg White® cement in big bags and 25 kg bags provides that all bags are stored under dry conditions and without exposure to rain or humidity.
